Eagle Scout Project

Brief of Committee Actions and Recommendations:

Elijah Gordon addressed the Committee with his idea for an Eagle Scout project. He would like to replace the welcome sign at the west entrance to town. The Committee thought this was a good project for him to pursue.

Cooper Fitch is looking for a project to do. Some of the ideas that were put forth by the Committee were: Repair and painting of the fence at the Bell Air Park, putting a Little Library somewhere in town, and assisting with the community garden. He will look at the different ideas and then come back with a proposal.

Mike Majher reported that there had been a water break on Rowe. Public Works were doing some preliminary work on the line, prior to the night repairs that had been scheduled, when the line blew. The break only impacted a few of the Town's residents.

Discussion was had on the possibility of getting funds to have Municipal Wi-Fi. It was suggested that the Town look into other Towns that have done this to see how it has worked for them. The Committee will have Town Attorney Dave Griffin give guidance on this to see if it is something that is worth doing or if it is something we should not address at this time.

The meeting was adjourned at 5:31 pm.

Updates from Police Chief, Fire Chief and Fire Marshal

Brief of Committee Actions and Recommendations:

Fire Marshall Steve Ritter reported that there had been two fires in town. The fires were on Grove Street and on Locust Street. The fire on Grove resulted in an investigation in which it was determined that there was a faulty heater. The Locust Street fire was an electrical socket that did not require an investigation.

He also reported that he had been back to Vicente's Tires to let them know that they need to get rid of the tires they have outside. Town Clerk Kelly Thatcher stated that they had not renewed their business license and that she would inform them that it would not be renewed until the problem was fixed.

Town Clerk Thatcher gave an update on JR's, she informed the Committee that while JR's had made an attempt to clean up, it was already back to where it was before the letter was issued. They were given one month to comply; May 1st is their deadline.

Police Chief Bill Copp reported that the department had received their new vests and their new tasers.

He informed the Committee that Jason Nauman would be graduating on May 19th.

He asked the Town Clerk to put a reminder in the Town Newsletter to the citizens that the police department is not on duty 24 hours a day and that if it is after hours, they need to contact Frederick County or call 911.

He stated that he has been trying to make contact with the businesses in town to introduce himself and to get contact numbers in case there are emergencies.

Chief Copp reported that he is still actively taking applications.

Chairman Ron Bowers discussed the need to have handicap parking at the Memorial and that he would see if Town Manger Majhers could order two signs, to be placed along Main Street.
The meeting was adjourned at 5:40 pm.
