

HOLIDAY DECORATING WINNERS

From the Desk of the Mayor

I am so proud of all that we have accomplished this year-and I can't wait to see what 2023 has in store for us as a community. May the best memories of the past year carry on to the New Year. Keep your attitude positive no matter what happens as the year progresses and always seek to find the good in any situation. Here is to a safe, healthy, and prosperous New Year!

FROZEN WATER LINES

It's that time of year! This is when most homes experience frozen water lines. Most of the time the first place to check for a frozen water line is an exposed drafty area beneath or within your home or business. Find and be aware of where the cutoff valve is within your home. Town water meters are insulated and are not prone to freezing. **Do not open a water meter box unless you have contacted the Town and been given permission.**

If you have a problem with frozen water lines, during office hours you may call 540-869-3087; after hours contact 540-662-6162.

The Town Newsletter is published by the Town Government of Stephens City for its citizens; to inform, to apprise and to clarify the issues and undertakings before the Town Government. Citizen feedback is encouraged. Contact the Town Office between the hours of 8:30 am and 5:00 pm.
